

Are You Ready to Lead with Greater Freedom and Impact?

Be the Leader God created you to be!

If you are passionate about your leadership making a lasting, Kingdom impact, then our 9-month Transform Journey is for you. Through a weekly commitment of 3-4 hours and two retreats, Transform offers a well-structured yet adaptable leadership development journey, providing the perfect framework for you to become the leader God has created you to be. Using the Biblical principles of identity, freedom, and transformation you will see your leadership flourish as you deepen your foundation in Him.

Transform equips you for personal and ministry growth, empowers you to meet the challenges of leadership today, and strengthens your influence, effectiveness, and fruitfulness as a leader.

Why choose TRANSFORM?

Freedom in Christ Ministries specializes in equipping Christian leaders worldwide to fulfill all that God is calling them to be and make a lasting Kingdom impact.

TRANSFORM provides:

- A combination of self-study, retreats, and community learning.
- Practical steps to break free from barriers holding you back in leadership.
- A collaborative network of like-minded leaders.

You'll engage with powerful Biblical principles, experience personal breakthroughs, and grow into a leader who makes *disciple-making* disciples. During our time together, you will find an honest, "real" environment where you are not expected to perform but simply to be yourself.

"Eugene Peterson speaks memorably of 'learning the unforced rhythms of grace,' and that is exactly what Transform has enabled me to do. As church leaders, we are often constantly giving, but do not always have time to receive. Studying the Freedom material personally each week and connecting deeply with others in our hub meetings was like a wonderful oasis.

As you journey through the material, there are those lightbulb moments of truth — truths you may have known over a lifetime, yet which come afresh like new revelations. I have emerged much more at peace within myself and re-energized. It took me a number of years to sign up for the course, but I am so glad that I did. God's timing is perfect!"
